## CURRAL TELES

λ (Lambda) 2021

**Curral Teles** is the place where our winery is located. In these wines, the emphasis is primarily on the human influence on the wine, from the grape variety, planting methods, vinification, aging, and more. These wines are produced in small quantities, reflecting the experiments conducted in the winery and are not produced every year. They are classified with Greek alphabet letters in honor of the experiments conducted in Greek academies.

### Winemaking

This Rabigato, originating from our Vinha Velha 30, was foot-trodden in the lagar. After spontaneous fermentation in the barrel, it ages under a native veil of flor for 20 months. This is a very original version of Rabigato that emerged casually.

### Variety Grapes

Rabigato

### Tasting Notes

Pale yellow color. A very intense aroma where dried fruits stand out and floral and fruity notes linger. In the mouth, it is very dry, slightly saline, with great persistence.
